DEPARTMENT MEMORANDUM

No. 2020- 0371

FOR : **ALL FIELD IMPLEMENTATION AND COORDINATION TEAM UNDERSECRETARIES AND ASSISTANT SECRETARIES**

ATTENTION : **ALL DIRECTORS OF CENTERS FOR HEALTH DEVELOPMENT (CHD) AND MINISTER OF HEALTH-BANGSAMORO AUTONOMOUS REGION IN MUSLIM MINDANAO**

SUBJECT : **Resumption of the National eHealth Electronic HealthMedical Record System Validation Operations in Selected Regions**

With the lifting of the Enhanced Community Quarantine in several regions of the country, the National eHealth Electronic Health/Medical Record System Validation will resume its operations starting **15 September 2020 in all regions except for the DOH Central Office, Centers for Health Development (CHD): Metro Manila, Central Luzon, CALABARZON and Central Visayas.** This is to allow these offices to focus their efforts and resources to COVID-19 response and management.

CHDs not included in the exception must adopt the Department Memorandum 2020-0220 entitled "*Interim Guidelines on the Return-to-Work*" which provides directives to prevent, control, and mitigate infection in their respective workplaces. This is to ensure not only the safety of the employees but also the applicants. COVID-19 contact tracing, case management and other related activities of the CHD should take precedence over the NEHEHRSV activities; as such, the CHDs must approve and disapprove validation requests accordingly.

Furthermore, all concerned CHDs must designate a NEHEHRSV Safety Officer that will:

1. Print, label and post necessary signage and other IEC materials for infection control and prevention;
2. Ensure submission of the health declaration form of validators and applicants prior to start of validation;
3. Implement COVID-19 safety standards and protocols as indicated in the DM 2020-0220 and other existing guidelines implemented in their respective CHDs;
4. Ensure disinfection of validation area/room before and after each validation; and
5. Submit reports to the Central NEHEHRSV as needed.

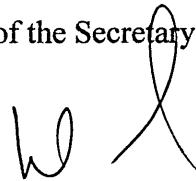

Moreover, all applicants from CHDs not included in the above-mentioned exclusion may start to request for their schedule of validation to the CHDs at the NEHEHRSV website: ehealth.doh.gov.ph/nehehrsv. In addition, they will remain operational, unless otherwise advised by their respective Local Government Units, likewise the suspended regional NEHEHRSV team will remain suspended unless advised by the Central NEHEHRSV team

and shall adopt the protocols indicated in this issuance once operational. Rest assured that the Central NEHEHRSV team shall continue to support the regional operations amidst this public health crisis.

Please see the Annexes for the Return-to-Work requirements, which includes the DM 2020-0220 and the QR code health declaration form for each region. Mr. Jonathan Rey Cabrera of the National eHealth Program Management Office at DOH – KMITS shall be coordinating with your good office regarding this issuance. Should you have further queries, he may be reached through phone number: 8651-7800 local 1948/1949 or at nehehsv@doh.gov.ph.

For your information and compliance.

By Authority of the Secretary of Health:

A handwritten signature in black ink, appearing to read 'Lilibeth C. David', with a large loop at the end of the last name.

LILIBETH C. DAVID, MD, MPH, MPM, CESO I
Undersecretary of Health
