The **Metro Manila Drinking Water Quality Monitoring Committee (MMDWQMC)** in its December 11, 2025 meeting pronounced that the water supplied by **Manila Water** and **Maynilad** based on the microbiological and physico-chemical examination done on water samples collected at the Water Treatment Works, Service Reservoirs and strategically designated Regulatory Sampling Points in their distribution system for the month of **November 2025** fully complied with the 2017 Philippine National Standards for Drinking Water (PNSDW).

Water supplied by Manila Water and Maynilad based on November 2025 monitoring is:
